

URBAN FORESTRY MASTER PLAN

LET'S TALK TREES!

Trees are critical to a healthy, vibrant community. Columbus is facing rapid growth and a changing climate over the coming years. How will we maintain and increase our tree canopy in light of these urban challenges?

Come engage with us and learn about the impact of trees in Columbus. Tell us what you would like to see in your neighborhood!

All input will be used to develop a long-term Urban Forestry Master Plan to care for our tree canopy for years to come!

WEDNESDAY, MARCH 4, 2020, 6-8 P.M.

Join us anytime between 6-8 p.m. Brief presentation at 6:30 p.m.

RSVP at www.ColumbusUFMP.org
