

**Assistant Professor of Professional Practice in Sustainability and Ecological Engineering**

# SEMINAR

**Elizabeth Myers Toman, PhD**

## **Sustainability and Ecological Engineering Instruction with Remote and Experiential Learning**

**WEDNESDAY, DECEMBER 2, 2020**

10:00 a.m. via Zoom

An open roundtable discussion of teaching and learning will immediately follow the seminar.

**Join via Zoom:** <https://osu.zoom.us/j/93970778707?pwd=T0p6Mlc2QnM0OGxkQmVic050ajkrQT09>

Dr. Myers Toman is an instructor in the School of Environment and Natural Resources teaching courses in sustainability and ecological engineering. With a background in hydrology and engineering, she understands some of the challenges to the sustainable management of our natural resources in urban and rural areas. She encourages learning through real world situations and experiences and has incorporated opportunities for such in her courses and research program. She believes that remote instruction can promote habits that build a foundation for life-long learning opportunities.
