

OSU EXTENSION AGRONOMIC CROPS TEAM PRESENTS

# 2024 Soil Health Webinar Series

Join us for a webinar series focusing on all things soil health. This series will offer standalone topics, so attendees can attend one, two, or all three sessions. Live webinars will offer CCA continuing education credits, and webinar recordings will be posted to the OSU Agronomy Team YouTube Channel for later viewing.

In this monthly series, farmers, industry, and academic experts will weigh in on practical steps to improve soil health and measure impact on crop yield and farm profitability. Please plan to join us for all three sessions!

**DATES:** January 11th, February 8th, and March 7th, 2024

**TIME:** 8:00–9:00 a.m.

**LOCATION:** Virtual via Zoom. Registration is required to receive the connection link
