**Do you have a course that you need to repeat?**

Are you retaking a course this semester that you previously did not pass or performed poorly in? Remember that all students have the opportunity to use Grade Forgiveness up to three times during their career. If you had courses previously forgiven under Freshmen Forgiveness, that does count against your three opportunities.

To have a course that you are taking this fall forgive a previous grade, you must complete the online Grade Forgiveness Petition on the Registrar’s website: [http://registrar.osu.edu/students/current.asp](http://registrar.osu.edu/students/current.asp). The deadline to submit the petition is the 4th Friday of the term, Sept 14.
