

SENR UNDERGRADUATE NEWS

November 8, 2015

Top 3 Scheduling Problems Students Face:

1. *I can't schedule ANYTHING due to a lock on my account*
2. *I'm being blocked from scheduling a 5000-level course*
3. *I want to schedule a course, but it requires special permission*

If you are facing any of these issues, read senr.osu.edu/undergraduate for the solution, and ***headdesk*** no more!

Spring Course Announcements

ENR 5263 – Biology of Soil Ecosystems taught by Dr. Richard Dick. Offered SP16, Session 1, with complimentary Lab course offered May Session. Read the [FLYER](#) for more information.

ENR 5480 – International Conservation and Local Peoples taught by Dr. Jeremy Brooks. This course explores interdisciplinary thinking with respect to the contemporary environmental crisis, particularly in the developing world.

ENR 6610 – Soil and Environmental Biochemistry taught by SENR Prof. Warren Dick. Offered **SP16**. Read the [FLYER](#) and [SYLLABUS](#) for more information.

PUBAFRS 4060 – Senior Leadership Seminar taught by Scott Boden. Students will integrate multidisciplinary theoretical and practical approaches of leadership development and how individuals and groups can apply experience in college to civic minded engagement after graduation. Read the [FLYER](#) for more information.

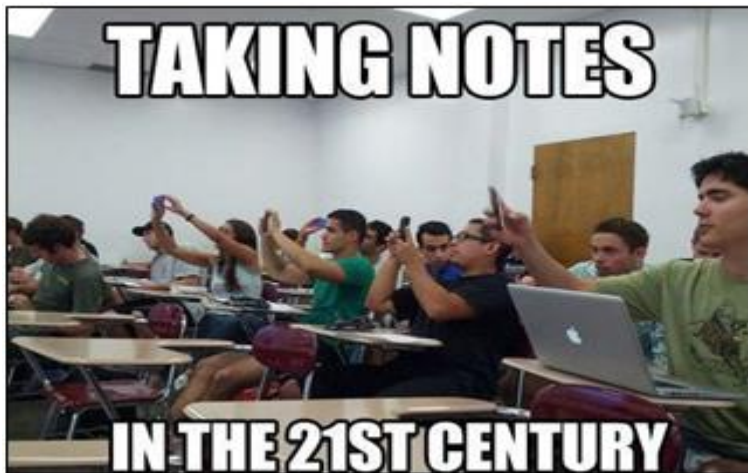

Full listing of Courses of Interest to ENR students found [HERE](#).

Dates & Deadlines

	Deadline
Veteran's Day – no classes, offices closed	Wednesday, 11/11

Check the [University Registrar's website](#) for a more detailed list of important academic dates and deadlines.

Access Notes from Your Advising Appointments

Have trouble recalling the details of your appointments with your **academic advisor**? Did you know that the academic advising team utilizes a note system called [Advising Connect](#) that you can access? We enter advising notes after most appointments in order to keep the details straight for us and you. You can log into your notes by going to <http://advisingconnect.osu.edu> with your name.# and password. We encourage you to check it out!

Upcoming Events

Lecture by world-famous oceanographer, Dr. Robert Ballard – Monday, Nov. 9, 7:30pm – Archie Griffin Grand Ballroom, Ohio Union

Dr. Robert Ballard is among the world's most accomplished oceanographers and is most known for his discovery of the Titanic. Dr. Ballard has been on over 140 deep-sea explorations and will talk about his passions for exploring the ocean in addition to answering audience questions. Tickets are available NOW at the Info Desk in the Ohio Union for *free*, 2 per BUCK-ID.

LinkedIn Workshop and Networking Reception – Tuesday, Nov. 10, 5:30pm – 244 KH

Join the CFAES and ENR Career Development staff along with their guests as we host a panel discussion about LinkedIn. Following our discussion, there will be around 20 different industry professionals on hand to network with students and have mocktails with our guests. This is a great opportunity to learn some insider viewpoints on the hiring process. More details [HERE](#).

24 Hours of Reality Screening – Friday, Nov. 13, 11am - 1pm – Woody's Tavern

[Climate Reality Project](#), a new student organization, is hosting a screening of the [24 Hours of Reality](#) project. The project is a live-streamed panel of climate change experts, hosted by AL Gore. The screening will be preceded by a panel discussion of the UN Climate Summit and how climate change may affect Ohio.

LEED Green Associate Training – Saturday, Nov. 14, 1pm – 5pm – 031 Hitchcock Hall

Just as Buildings can be LEED certified, people in the sustainable construction industry can become LEED Professionals. The LEED Green Associate (GA) credential is the only entry level sustainability designation and shows employers and clients that you have certified knowledge in the green building industry. Cost: \$300 (\$200 for full time students). To register for the class please visit: <http://leadinggreen.ca/columbus>. For more information, click [HERE](#).

Careers in Water Resources Networking – Tuesday, Nov. 17, 3pm – Hilton Double Tree, Worthington

The Water Management Association of Ohio (WMAO) invites students to participate as a guest at **Careers in Water Resources**. This event, in conjunction with the WMAO 44th Annual Conference, will allow students to learn about career opportunities in water resources and talk with potential employers. More information about the conference can be found [HERE](#).

Study and Work Abroad Panel – Wednesday, Nov. 18, 5:30pm - 6:30pm – 150 Younkin Success Center

Ever wondered what studying and working abroad is really like? Hear from a panel of 5 professionals who have experienced it firsthand. Stay after the panel discussion for pizza and networking!

Towers Honorary Now Accepting Applications

To apply, you must:

- Be majoring within FAES/ENR
- Have completed at least 3 academic semesters (or, for transfer students, have completed 1 academic semester in agriculture and are at least a 1st semester sophomore)
- Have earned an accumulative point hour ratio of 3.00, and
- Have proven yourself outstanding in at least one extracurricular activity

Fill out the application at <http://go.osu.edu/towers-application>. Contact Recruitment Chair, Jared Ashworth (ashworth.39@osu.edu), with any questions. Applications are due **January 29th, 2016**.
