## Scholarship Opportunities

### Office of Energy & Environment

Applications are available for the OEE's student funding opportunities for **research, scholarship and travel** related to **energy, environment and sustainability**. Five scholarships are also available to help students pursue careers in energy, environment, and sustainability. Students interested in these funding opportunities can visit <http://oe.osu.edu/student-funding/> or email [OEEStudentPrograms@osu.edu](mailto:OEEStudentPrograms@osu.edu).

In addition, OEE is pleased to support the Office of Student Life, Energy Management and Sustainability's [Student Sustainability Grants](#) program sponsored by Coca-Cola. For questions about the Coca-Cola Student Sustainability Grant program, email [Carlos Lugo](#).

### US Forest Service Research Assistantship for Native Americans

The U.S. Forest Service (USFS), through partnership with The Wildlife Society, is sponsoring a research assistantship program for Native American students. This program will facilitate mentoring opportunities for USFS Research & Development (R&D) scientists with students and promote student advancement and training for careers in natural resource and conservation-related fields.
