It's Scheduling Time

Have you determined what classes to take Spring 2017 yet? SP17 scheduling officially begins this week and continues through mid-November in decreasing rank order. Will YOU be ready when it's your turn? Here are 6 steps to help you prepare:

1. **Know your enrollment appointment!**

The Registrar assigns enrollment appointments to all Ohio State students based on a combination of rank and special status. When your appointment has been assigned, you will receive an email from the Registrar and the details will appear on your [Student Center](#).

2. **Do the Financial Responsibility Statement**

ALL Ohio State students are required to complete the Bursar's Financial Responsibility Statement before scheduling classes. A hold will be placed on your account until you do this. Go to your [Student Center](#) "To Do" box to complete the statement.

3. **Run a Degree Audit**

The degree audit, accessed through [Buckeyelink](#), will help you determine remaining course requirements.

4. **Download [Degree Planning Tools](#)**

There are several resources available on the [SENR website](#) to help you plan your schedule: curriculum guides, roadmaps, a [list of important course offering changes](#), and more! Use these tools in conjunction with your degree audit to determine the courses you need for SP17...and beyond!

5. **Check those prereq's!**

Use the [University course catalog](#) and/or SP17 Schedule of Classes (both accessible on [Buckeyelink](#)) to verify that you meet all the pre-requisites for the courses you plan to take—you don't want surprises once your window opens!

6. **Use Schedule Planner**

Set up and view your planned schedule in Schedule Planner, a helpful website you can access through your [Student Center](#). When you find a schedule you like, save it and have it ready when your window opens!

Still need help? Come talk to an advisor! Call **614-292-2265** to schedule your appointment.

Need an academic boost? Try this new 2nd Session course:

Educ Sts: Education Psychology (ES EPSY) 2059 - Becoming a Self-Regulated Learner

7 weeks (second session), 2 credit hours

Class number 33222 | MoFr 2:20 pm – 3:45 pm

This course is best suited for students who could use an extra boost of confidence, motivation, and skills to overcome academic hurdles. Students will apply techniques that will help them reach their academic goals, reflect on their processes and outcomes, and work closely with their instructor and classmates in an engaging classroom community. Contact course coordinator Lauren Hensley (hensley.121@osu.edu) with any questions.

Class begins **TOMORROW (10/17)**. You have until **THIS FRIDAY (10/21)** to register for the course online and without instructor permission.
