October 30, 2016

Scheduling Problems?

Here are the **most common issues** that students have when trying to schedule:

1. *I can't schedule anything due to a lock on my account.*
2. *I'm being blocked from scheduling a 5000-level course.*
3. *I want to schedule a course, but it requires special permission.*

If you are facing any of these issues, read the SENR Undergraduate webpage for the solution!

Still need help? Come talk to an advisor! Call **614-292-2265** to schedule your appointment.

New Water History Course Offered SP17

HISTORY 2704 – Water: A Human History, taught by Prof. Nicholas Breyfogle. Offered **SP17**. Counts toward *GE: History* and *GE: Diversity: Global Studies*. See [FLYER](#) for more details.

Dates & Deadlines

	Deadline
Veteran's Day – no classes, offices closed	Friday, 11/11

Check the [University Registrar's website](#) for a more detailed list of important academic dates and deadlines.

New Student Org: Defend Our Future

Members needed! [Defend Our Future](#) is a new student organization that stems from a national organization created by the Environmental Defense Fund. This student-run club is aimed to educate and empower more students to take personal action on climate change. Defend Our Future does so through events centered around climate education as they pertain to specific commodities and issues, including coffee, bees, and chocolate. The club aims to engage its members through bi-monthly meetings in which they discuss current events pertaining to climate change as well as sustainability goals and actions on campus and at home. Interested? Contact defendourfuture@gmail.com.

Upcoming Events

Research Opportunities

Two new research opportunities in SENR have been announced:

Aquatic Ecology

Dr. Suzanne Gray is seeking two motivated and committed students to help the Gray Aquatic Physiological Ecology Lab (<http://u.osu.edu/gray.1030/>) with live fish care and maintenance. Read more [HERE](#). Apply by **Nov. 11**.

Aquatic Macroinvertebrates & Amphibians

Dr. Pintor's lab is in need of an undergraduate researcher to examine the influence of wetland restorations on macroinvertebrate and amphibian communities in Lake Erie. Read more [HERE](#). Apply by **Nov. 15**.

Job Opportunity

Writing Center Tutor

The Writing Center at Ohio State is in need of student tutors. To qualify to become a tutor, students must take a course in SP17, CSTW 3476S (class # 17246). Not only will this course prepare you for the tutoring job, but it will also greatly improve your own writing abilities. Read more on the [FLYER](#).

Have a Happy Halloween!

Don't hesitate to [contact us](#) if you have questions.
