
SENR UNDERGRADUATE NEWS

August 20, 2017

Welcome back to campus!

This is the first edition of the SENR Undergraduate Newsletter, which you will receive every other Sunday. Please make a habit of at least skimming this newsletter each time, as it is the main way we keep our students apprised of any pertinent information related to **academics**, School/University **events** and **opportunities**, and general **announcements**.

Who is the 'we'? We are the SENR Student Services Team, and we are here to support you! [HERE](#) is a quick introduction (or refresher) of who is on the Team, and what they do.

Stuck on a Waitlist?

Please be aware of the following:

- All waitlists are **deactivated after the first week of class**. Therefore, if you have not been assumed from the waitlist into the course by Saturday, August 26th, you will not be enrolled.
 - If you are next in line, but the waitlisted course is in **time conflict** with an existing course, or it pushes you **over the 18 credit hour limit**, or **you do not meet the prerequisites** for the course and need special permission, **YOU WILL BE SKIPPED OVER**. Don't let this happen to you—be prepared by verifying your schedule!

Trouble Enrolling in a Course?

If you are unable to enroll yourself in a course (course requires instructor permission, you are seeking ability to override the waitlist, course is in time conflict, etc.), you will need to complete a [Course Enrollment Permission form](#). Follow the instructions on the form as appropriate with your circumstances, then bring the completed form to 210 Kottman Hall for processing.

Planning to Graduate Spring 2018?
