Scheduling Problems?

Here are the **most common issues** that students have when trying to schedule:

1. *I can't schedule anything due to a lock on my account.*
2. *I'm being blocked from scheduling a 5000-level course.*
3. *I want to schedule a course, but it requires special permission.*

If you are facing any of these issues, read the SENR Undergraduate webpage for the solution! Still, need help? Come talk to an advisor! Call **614-292-2265** to schedule your appointment.

Do you have BuckeyePass?

Beginning November 5 you will need it in order to access BuckeyeLink. This is a big deal.....be sure to take care of this now! Click [here](#) for more information.

New CFAES Transcript Designation - The Global Option

CFAES has a new transcript designation available to recognize student efforts to internationalize their OSU experience. This new designation is called the Global Option (GO).

The CFAES GO has four basic components:

A: Education Abroad or International Student Status

B: Taking a course related to your major or minor (see list) that is international in nature

C: Advanced international learning: A second study abroad, or the second set of 3 credit hours for a program that awards 6+ hours, or participate in an international research project, internship or Service Learning experience, or minor in a program that is international in nature, or prove at least minor-level proficiency in a non-English language

D: Complete the Global Option Capstone course (FAES 4580) at some point after reaching rank 4 (exceptions allowed for special circumstances such as Agriscience Ed students who are not able to take any additional courses their final year)

To learn more, see this website with additional details and the Global Option application: <https://students.cfaes.ohio-state.edu/globaloption>.
