
SENR UNDERGRADUATE NEWS

January 8, 2017

First newsletter of Spring 2017!

Ready or not, here comes Spring semester!

Dust off your bookbag and warm up your note-taking hand, because tomorrow a new semester begins.

Back to School FAQ's:

What do I do if I'm on a waitlist?

(Read the full answer on the [SENR Undergraduate](#) web home page)

- Go to [BuckeyeLink](#) and check your Spring 2017 schedule (list view) to **determine your waitlist position**.
- **Attend the class** for the first week.
- Make sure you do **not need special permission** (such as time conflict override) to enter the class. If you do, the waitlist will automatically skip over you.

All waitlists are deactivated after the first week of class. Therefore, if you have not been assumed from the waitlist into the course by Saturday, January 14th, you will not be enrolled.

How do I schedule an advising appointment?

Call our office at 614-292-2265 or visit the front desk in 210 Kottman Hall. Our office is open 8am – 5pm weekly.

Where can I find more helpful resources and information?

Go straight to our website, senr.osu.edu/undergraduate!

- Check out the [Academic Advising](#) page for helpful information whenever those quick questions pop up.
- Visit [Degree Planning Tools](#) for links to resources such as curriculum guides, mock schedule plans (curriculum roadmaps), a list of acceptable GE courses, and more.
- Go to the [Forms](#) page when you need—you *guessed it*—a form.

If you can't find your answer on the web, feel free to call our office (614-292-2265) or stop by the front desk in 210 Kottman Hall for assistance.

SENR Front Desk Now Hiring!

The SENR academic office is seeking an undergraduate student worker to assist in covering the 210 Kottman front desk. Duties will include:

- Cheerfully and politely greet all visitors
- Answer and direct phone calls
- File records
- Assist in break and copy room maintenance
- Provide additional administrative support to the SENR Student Services Team as needed

Applicants should be detail oriented, dependable, and enjoy working in an office setting. Availability to work Tuesday and Thursday mid-mornings, and/or during school breaks is a big plus. Federal work study status is also highly desired.

If interested, please send resume and hours of availability to senr@osu.edu by **Tuesday, Jan. 10**.

Scholarship Opportunities

Spring is scholarship application time! Check out the variety of scholarships available from both the School and outside organizations on the SENR [Money Matters webpage](#).

Volunteer Opportunity - Zero Waste Event

The first ever Zero Waste Synchronized Swimming meet will be hosted at McCorkle on Saturday 1/14/17! Ohio State is looking for volunteers to assist with recycling education, collection, and measurement. Students can

volunteer from 10:00-1:00 or 1:00-4:00 with a **meal provided** and can sign up or request more information by emailing Graham Oberly.7@osu.edu.

Summer Field Course/Research Opportunities

Flathead Lake Biological Station

Flathead Station of the University of Montana is accepting enrollment for their 2017 Summer Session courses. Nine courses are offered in aquatic and terrestrial ecology fields. Scholarships are available too! More details about the program and the registration portal can be found [HERE](#). Register by **Jan. 15, 2017** to receive a discount.

Doris Duke Conservation Scholars Program

The Doris Duke program, offered through the University of Michigan, is an exciting two-year research and internship opportunity for bright, curious undergraduate students interested in conservation, nature, and the environment. Scholars receive a **\$4,250 stipend**, plus room and board and travel expenses to and from Ann Arbor, Michigan each summer. Deadline to apply is **Feb. 8, 2017**. Detailed program information and application are available on our website at <http://ddcsp-umich.com>. Contact ddcsp-snre@umich.edu with any questions.

Happy New Year!
