Scholarship Opportunities

Don't leave money on the table! Even if you missed the annual CFAES/SENR scholarship application deadline, there are still multiple ENR-related scholarships available from outside organizations. Early March is heavy with deadlines--here are just a few examples:

[Mershon Center for International Security Studies](#), due **Feb. 27, 2017**.

[Water Management Assoc. of Ohio](#), due **Mar. 1, 2017**.

[Melinda Henning Scholarship](#), due **Mar. 1, 2017**. Guidelines [HERE](#), Application [HERE](#).

[Cargill Global Scholars Program](#), due **Mar. 2, 2017**.

[Stone Lab Scholarships](#), due **Mar. 2, 2017**

New scholarship opportunities are posted regularly on the [Money Matters webpage](#).

Certified Interpretive Guide Training

Join SENR instructor Sue Rasche for a 4-day certification course in Granville, OH. The course takes place March 31 - April 3. After successful completion of the course you will be recognized by the National Association for Interpretation! Read more and find the link to register [HERE](#).

SENR Peer Mentors Sought for AU17

Become a peer mentor and you can help demystify the SENR experience for incoming freshmen and transfer students next autumn. Peer mentors act as guides for new ENR students, help facilitate the ENR Survey course, and answer questions about Ohio State and the School. Plus, as a peer mentor, you gain leadership experience and expand your professional network through connections with a multitude of faculty and staff. This opportunity is open to any student in good standing in the School, so long as you completed a survey course at Ohio State (even if it wasn't ENR's survey course). [APPLY HERE](#) by Sunday, **Feb. 26**.

Trade in your old light bulbs with Light Up With LED!

Light Up with LED is a student-led project to promote energy efficient practices among off-campus Ohio State students. LED bulbs are better for the environment, and they save you money! Light Up With LED participants will trade in non-LED bulbs and receive LED bulbs in return. For more information, visit <https://www.facebook.com/LightUpWithLEDOSU/> or register to trade up to 5 non-LED bulbs at www.goo.gl/OTpwTC. A pick up date will be selected in the registration survey. When participants trade in their non-LED bulbs, they will receive a reusable tote bag with their LED bulbs and information on other energy conserving behaviors!

Send questions to: LED.ohiostate@gmail.com

Dates & Deadlines

	Date
Spring break -- no classes, offices open	March 13 - March 17
Last day to drop a course (via Change Ticket Form, will receive 'W')	Friday, March 24

Check the [University Registrar's website](#) for a more detailed list of important academic dates and deadlines.

Upcoming Events

Education Abroad Info Sessions

[Dominican Republic](#)

Feb. 23 – 5-6pm – 102 KH

Mar. 8 – 5:30-6:30pm – 129 Mendenhall

Defend Our Future's "Back-to-Basics" – Wednesday, Mar. 1, 5 - 7pm – Saxbe auditorium, Drinko Hall

Back to Basics: A Brief Look at Environmental Policy is an event to meet interested students where they are and give an overview of how environmental law is enacted, with a discussion of Ohio-and-Columbus-specific initiatives. Our speakers include Dean Carlarne, a climate change law expert; Aryeh Alex, the Political Director from the Ohio Environmental Council; and Councilmember Elizabeth Brown. Read more on the facebook page: <https://www.facebook.com/events/771454709669662/>

RUOK? Day – Thursday, Mar. 2, 3 - 7pm – Ohio Union Performance Hall

RUOK? Day is an annual signature event held by Buckeye Campaign Against Suicide. The event provides the campus community with a safe, stigma-free environment to learn about mental health resources available on campus and in central Ohio. Open to faculty, staff and students (no Buck ID required) with free food, T-shirts, music, prizes and more. Learn how to ask a stranger or a friend, "Are you OK?"

Research Opportunities

Sustainable RIVER

This is a research project located in Vermillion, SD. The REU is hosted by the University of South Dakota and will provide training for 10 students for 11 weeks during the summers of 2017-2019. The Sustainable RIVER project will create student scientists who will become leaders in interdisciplinary research and leaders in creating a more sustainable society. Read more about the project and apply [HERE](#). Application deadline is **Feb. 28**.

Ecosystem Restoration

Dr. Matt Davies is working in collaboration with the Univ. of Washington to study the recovery and restoration of sagebrush-steppe ecosystems following wildfire. The project is seeking field technicians who will work in eastern Washington. Read more [HERE](#). Apply by **Mar. 1**.

Don't hesitate to [contact us](#) if you have questions.
