Ever seen your Curriculum Roadmap?

Advising staff in the School developed [Curriculum Roadmaps](#) a few years ago for students in each ENR major. You can find the roadmaps on the [SENR Degree Planning Tools](#) page, along with several other helpful resources. The roadmaps are essentially mock schedules, meant to help guide you in the sequencing of your courses. The roadmaps also list prerequisites for each course, so you can plan ahead. **Students who actively use their roadmaps as a guide are much more prepared for scheduling and ready for graduation!**

Scheduling is right around the corner for AU17, and has already begun for SU17! Check out the roadmaps, and our other Degree Planning Tools, today!

Certified Interpretive Guide Training

Join SENR instructor Sue Rasche for a 4-day certification course in Granville, OH. The course takes place March 31 - April 3. After successful completion of the course you will be recognized by the National Association for Interpretation! Read more and find the link to register [HERE](#). Registration is due by **March 23**.

Are you Studying Abroad this year?

As a reminder, ALL Ohio State students pursuing independent education abroad that is related to their Ohio State academic or co-curricular objectives (regardless of if the program is Ohio State approved or non-Ohio State approved) are required to adhere to the policies and guidelines set forth by the University's [International Travel Policy Committee](#).

- Be sure to check the status of your prospective host country with the list of Ohio State [Risk Designated Countries](#). If your host country is currently listed as a Risk Designate Country, you must submit a [petition](#) to the International Travel Policy Committee.
