# SENR UNDERGRADUATE NEWS

March 19, 2017

## Are YOU ready to schedule?

This week, the first scheduling windows (enrollment appointments) for Autumn 2017 open. Here are 5 steps to help you prepare when it's your turn:

1. **Know your enrollment appointment!**

The Registrar assigns enrollment appointments to all Ohio State students based on a combination of rank and special status (such as honors, athlete, or graduating senior). When your appointment has been assigned, you will receive an email from the Registrar and the details will appear on your [Buckeyelink](#).

2. **Do the Financial Responsibility Statement**

ALL Ohio State students are required to complete the Bursar's Financial Responsibility Statement before scheduling classes. A hold will be placed on your account until you do this. Go to your [Buckeyelink](#) "To Do" box to complete the statement.

3. **Run a Degree Audit**

The degree audit, accessed through [Buckeyelink](#), will help you determine remaining course requirements.

4. **Download [Degree Planning Tools](#)**

There are several resources available on the [SENR website](#) to help you plan your schedule: curriculum guides, roadmaps, a [list of important course offering changes](#), and more! Use these tools in conjunction with your degree audit to determine the courses you need for fall...and beyond!

5. **Check those prereq's!**

Use the [University course catalog](#) and/or Autumn 2017 Schedule of Classes (both accessible on [Buckeyelink](#)) to verify that you meet all the pre-requisites for the courses you plan to take—you don't want surprises once your window opens!

6. **Use Schedule Planner**

Set up and view your planned schedule in Schedule Planner, a helpful website you can access through your [Buckeyelink](#). When you find a schedule you like, save it and have it ready when your window opens!

Still need help? Come talk to an advisor! Call **614-292-2265** to schedule your appointment.
