## Scheduling has begun!

Here are the most common issues that students have when trying to schedule:

1. *I can't schedule ANYTHING due to a lock on my account*
2. *I'm being blocked from scheduling a 5000-level course*
3. *I want to schedule a course, but it requires special permission*

If you are facing any of these issues, read the SENR Undergraduate webpage (<http://senr.osu.edu/undergraduate>) for the solution!
