Autumn 2016 Class Schedule Goes Live Tomorrow

The schedule of classes for AU16 will be available to view beginning tomorrow.

WORD OF CAUTION: we are still finalizing details related to a couple of our courses and may tweak the offerings slightly. One pending change is to **ENR 3700**. The course is being reviewed by the university to approve an **increase in the credit hours** to 3 beginning in AU16. When/if that is approved another hour of lecture and lab will be added to the course. We'll announce when that happens.

Other important changes are noted on our [Changes in Course Offerings webpage](#).

You can access the full AU16 schedule of classes through [BuckeyeLink](#).

Summer Term is Changing

Important changes are coming for Summer Term 2016. The highlights:

- 3 FREE credit hours (for eligible students) are back
- Summer Term will split into 8 different scheduling blocks

Check out full details [HERE](#). You can access the SU16 schedule of classes through [BuckeyeLink](#).
