

SENR UNDERGRADUATE NEWS

March 20, 2016

On your marks, get set, SCHEDULE!

This week, the first scheduling windows (enrollment appointments) for Autumn 2016 open. Will YOU be ready when it's your turn? Here are 5 steps to help you prepare:

1. Know your enrollment appointment!

The Registrar assigns enrollment appointments to all Ohio State students based on a combination of rank and special status (such as honors, athlete, or graduating senior). When your appointment has been assigned, you will receive an email from the Registrar and the details will appear on your [Student Center](#).

2. Do the Financial Responsibility Statement

ALL Ohio State students are required to complete the Bursar's Financial Responsibility Statement before scheduling classes. A hold will be placed on your account until you do this. Go to your [Student Center](#) "To Do" box to complete the statement.

3. Run a Degree Audit

The degree audit, accessed through [Buckeyelink](#), will help you determine remaining course requirements.

4. Download Degree Planning Tools

There are several resources available on the [SENR website](#) to help you plan your schedule: curriculum guides, roadmaps, a [list of important course offering changes](#), and more! Use these tools in conjunction with your degree audit to determine the courses you need for fall...and beyond!

5. Check those prereq's!

Use the University course catalog and/or Autumn 2016 Schedule of Classes (both accessible on [Buckeyelink](#)) to verify that you meet all the pre-requisites for the courses you plan to take—you don't want surprises once your window opens!

6. Use Schedule Planner

Set up and view your planned schedule in Schedule Planner, a helpful website you can access through your [Student Center](#). When you find a schedule you like, save it and have it ready when your window opens!

Still need help? Come talk to an advisor! Call **614-292-2265** to schedule your appointment.

Washington Academic Internship Program (WAIP)

Apply to become a WAIP Fellow and you can live and work in DC while earning a full semester of Ohio State credit! WAIP selects outstanding undergraduates from any major to spend a semester in DC as John Glenn Fellows. Students work in field placements that reflect their particular areas of academic interest. Read more and apply [HERE](#). Applications due **April 4**.

Dates & Deadlines

	Deadline
Last day to drop a course (will incur a 'W')	THIS Friday, 3/25

Check

the [University Registrar's website](#) for a more detailed list of important

academic dates and deadlines.

DON'T MISS
THE DEADLINE!

Upcoming Events

LEED Green Associate Training – Saturday, Apr. 2 – 1:00 – 5:00pm – 031 Hitchcock Hall

Just as Buildings can be LEED certified, people in the sustainable construction industry can become LEED Professionals. The LEED Green Associate (GA) credential is the only entry level sustainability designation and shows employers and clients that you have certified knowledge in the green building industry. Cost is \$200 for full time students. For more information and to register, click [HERE](#).

CFAES Roaring Recognition Banquet – Thursday, Apr. 7 – 1:00 – 5:30pm – Ohio Union Archie Griffin Grand Ballroom

Get your tickets to the 63rd annual CFAES recognition banquet! Beginning on February 24, tickets will be on sale for \$10 and can be purchased in 210KH. After March 23, ticket prices increase to \$15. Upon purchasing your ticket, please indicate if you prefer the vegetarian option. It's going to be the bee's knees, and we hope to see you there!

Certified Interpretive Guide Training – Friday, Apr. 8 – Monday, Apr. 11 – 9:30am – 4:00pm – Licking Park District, Granville, OH

Join SENR lecturer Sue Rasche for this four day certification course. This resume builder will train you in the best practices for interpretation, and upon successful completion of the requirements, you will be recognized by the National Association for Interpretation as a Certified Interpretive Guide. Don't delay! Read more and register [HERE](#).

Research Opportunities

ODOT Particle Size Distribution Project

If you are interested in water quality and storm water, this research assistantship is for you! The position is PAID and falls under the Dept. of Food, Agricultural, and Biological Engineering in CFAES. The research assistant will be primarily collecting data for and interfacing with ODOT between May and December 2016, with an opportunity for project extension. Read more in the announcement on the [Undergraduate Research webpage](#).

Scholarship Opportunities

Find these scholarships and more online at senr.osu.edu/undergraduate/money-matters:

Outdoor Writers of Ohio

Each year, Outdoor Writers of Ohio offers a \$1,000.00 scholarship for an Ohio college student majoring in a conservation-related course of study, such as fisheries, wildlife, forestry, water quality, parks/recreation or related fields. Find eligibility details and the application [HERE](#). Due date: **Mar. 31**.

Ohio EPA

These merit based, nonrenewable, scholarships will be given to undergraduate students admitted to Ohio State who can demonstrate their knowledge and commitment to careers in environmental sciences. Students must be in the final year of the program by the autumn term of 2016. Read more and apply [HERE](#). Due date: **Apr. 15**.

Have a Happy Easter!
