

# SENR UNDERGRADUATE NEWS

April 3, 2016

---

## Scheduling problems?

Here are the **most common issues** that students have when trying to schedule:

1. *I can't schedule ANYTHING due to a lock on my account*
2. *I'm being blocked from scheduling a 5000-level course*
3. *I want to schedule a course, but it requires special permission*

If you are facing any of these issues, read the SENR Undergraduate webpage ([senr.osu.edu/undergraduate](http://senr.osu.edu/undergraduate)) for the solution!

Still need help? Come talk to an advisor! Call **614-292-2265** to schedule your appointment.

## Advisor Appreciation Week Begins April 11<sup>th</sup>

Our academic, career, and faculty advisors work hard to serve their students. If you've ever been helped by an advisor, consider taking a minute to share your gratitude by:

- Submitting an [e-thanks webform](#) through the Office of Undergraduate Education (form is live April 4 – 8)

- Sending a quick note to [senr@osu.edu](mailto:senr@osu.edu), where it will be directed to the proper advisor
- Tweeting your thanks to @SENRAdivising
- Stopping by his/her office to thank him/her in-person

Your expression of appreciation will instantly brighten your advisor's day!

## May Course Announcements

Want to take advantage of your 3 free credit hours in the first four week session of summer? These courses may interest you:

**ENR 5266** – Field Investigations: Microbial Ecology Methods for Environmental and Agricultural Research Applications, taught by Dr. Richard Dick. Offered **May 2016**. See [FLYER](#) for more details.

**EEOB 4430** – Ecological Methods, taught by EEOB faculty member, Dr. Maria Miriti. Offered **May 2016**. This course is a field ecology course that is particularly suitable for Environmental Science majors specializing in Ecological Restoration. See [FLYER](#) for more details.

## Dates & Deadlines

	Deadline	<i>Check the <a href="#">University Registrar's website</a> for a more detailed list of important academic dates and deadlines.</i>
Last day of classes	Monday, 4/25	

## Upcoming Events

**Ice Cream & Internships** – April 4, 5, 7, 8 – 10:00am – 4:00pm – 210 Kottman  
Trish Raridan Preston, Career Development and Internship Coordinator for ENR, will be taking walk-ins all week to **register** students for **ENR 2191 or 4191**. [Read HERE](#) about what verification forms you need in order to register for the course.

Not sure if the internship will count for credit? Send a copy of the job description along with how many hours per week / # of weeks you will be working to Trish to inquire about approval. Trish is the instructor for both internship courses and the course is by permission only. [Raridan-preston.1@osu.edu](mailto:Raridan-preston.1@osu.edu)

Plus, you'll leave with an ice cream treat!

**Employer on Campus: Ahlum & Arbor Tree Preservation** – Tuesday, Apr. 5 – 10:00am – 3:30pm – CFAES Library & Student Success Center

Ahlum & Arbor Tree Preservation will be holding office hours as a part of the **Employers on Campus** program. Stop in and have your resume reviewed or hold a mock interview. Make sure to tweet about your experience using **#EOC** and mentioning **@CFAESCareers**.

**CFAES Roaring Recognition Banquet** – Thursday, Apr. 7 – 5:30pm – Ohio Union Archie Griffin Grand Ballroom

Get your tickets to the 63<sup>rd</sup> annual CFAES recognition banquet! Beginning on February 24, tickets will be on sale for \$10 and can be purchased in 210KH. After March 23, ticket prices increase to \$15. Upon purchasing your ticket, please indicate if you prefer the vegetarian option. It's going to be the bee's knees, and we hope to see you there!

**Introduction to Entomophagy** – Friday, Apr. 8 – 9:00am – 3:30pm – Nationwide Ohio Farm Bureau 4-H Center

Entomophagy is the practice of eating insects. Learn how this idea will impact our future and how we can adapt to the growing concept. Learn about cultural and nutritional aspects of entomophagy, meet Ohio-based

companies, and sample insect infused foods. Cost is \$15. More info and registration link can be found [HERE](#).

### **Certified Interpretive Guide Training** – Friday, Apr. 8 – Monday, Apr. 11 – 9:30am – 4:00pm – Licking Park District, Granville, OH

Join SENR lecturer Sue Rasche for this four day certification course. This resume builder will train you in the best practices for interpretation, and upon successful completion of the requirements, you will be recognized by the National Association for Interpretation as a Certified Interpretive Guide. Don't delay! Read more and register [HERE](#).

## **Research Opportunities**

### **SENR Faculty Surface Water Project**

Drs. Pintor, Sullivan, and Zhao are hiring an undergraduate research assistant for a project evaluating nutrients in non-agricultural Ohio surface waters. Applications are due by **April 15**. Read more in the announcement on the [Undergraduate Research webpage](#).

## **Scholarship Opportunities**

Find these scholarships and more online at [senr.osu.edu/undergraduate/money-matters](http://senr.osu.edu/undergraduate/money-matters):

### **Ohio EPA**

These merit based, nonrenewable, scholarships will be given to undergraduate students admitted to Ohio State who can demonstrate their knowledge and commitment to careers in environmental sciences. Students must be in the final year of the program by the autumn term of 2016. Read more and apply [HERE](#). Due date: **Apr. 15**.

### **Water Management Assoc. of Ohio (WMAO)**

WMAO offers a \$1,000 scholarship to student WMAO members or relatives of WMAO members attending public universities in Ohio. Read more and apply [HERE](#). Due date: **Apr. 29**.
