First newsletter of Spring 2016!

## New year, new semester!

## Back-to-School FAQ's:

### What do I do if I'm on a waitlist?

- Go to your Student Center and check your Spring 2016 schedule (list view) to **determine your wait list position**. As enrolled students drop the course, the registration system will automatically move people into the course from the waitlist. Most movement in a course occurs during the first week, so keep an eye on it!
- **Attend the class** for the first week. This allows you to:
  - Survey the classroom (*Is it standing room only, or are there a lot of empty seats?*)
  - Talk to the professor (*How likely is it that you'll be brought up from the waitlist?*)
  - Stay up-to-date (*In case you do get enrolled*)
- Make sure the waitlisted course is **NOT in time conflict** with an existing course, **will NOT push you over the 18 credit hour limit**, and that you **DO meet all prerequisites** and do not require special permission, or else YOU WILL BE SKIPPED OVER.
- **All waitlists are deactivated after the first week** of class. Therefore, if you have not been assumed from the waitlist into the course by Saturday, January 16<sup>th</sup>, you will not be enrolled.
