Back to School FAQ's:

What do I do if I'm on a waitlist?

(Read the full answer on the [SENR Undergraduate](#) web home page)

- Go to [BuckeyeLink](#) and check your Spring 2017 schedule (list view) to **determine your waitlist position.**
- **Attend the class** for the first week.
- Make sure you do **not need special permission** (such as time conflict override) to enter the class. If you do, the waitlist will automatically skip over you.

All waitlists are deactivated after the first week of class. Therefore, if you have not been assumed from the waitlist into the course by Saturday, January 14th, you will not be enrolled.

How do I schedule an advising appointment?

Call our office at 614-292-2265 or visit the front desk in 210 Kottman Hall. Our office is open 8am – 5pm weekly.

Where can I find more helpful resources and information?

Go straight to our website, senr.osu.edu/undergraduate!

- Check out the [Academic Advising](#) page for helpful information whenever those quick questions pop up.
- Visit [Degree Planning Tools](#) for links to resources such as curriculum guides, mock schedule plans (curriculum roadmaps), a list of acceptable GE courses, and more.
- Go to the [Forms](#) page when you need—you guessed it—a form.

If you can't find your answer on the web, feel free to call our office (614-292-2265) or stop by the front desk in 210 Kottman Hall for assistance.

ENR Academic Team is hiring!

Are you cheerful, detail oriented, dependable? Do you enjoy working with people? Are you looking for a part-time job that's flexible and will allow you to develop transferable skills? The Academic Team in ENR is looking for a student assistant. Primary duties will include handling the main office reception which includes politely and cheerfully greeting visitors, answering and directing phone calls, scheduling appointments, providing basic information to students, and answering questions. Additional duties include assistance with academic related processes, maintenance of student records, data entry and assisting the Academic Team with special projects.

The ideal candidate will have a friendly and easy going personality, will enjoy working as part of a team, as well as a willingness to learn and grow in this role. Prior customer service experience and/or work in an office setting is a plus. Please send your resume, list of at least 2 references and Spring 2018 class schedule to senr@osu.edu. All applications are due **Tuesday, January 16th at 12noon**. Interviews will be in the week following this application due date.

Make a Difference in 2018

Wednesday, JANUARY 17, 2017 from 6-8pm

Ohio Farm Bureau 4-H center

2201 Fred Taylor Dr, Columbus, Ohio 43210

In collaboration with Chadwick Arboretum and Great Lakes Brewing, we invite you to join us at the first Green Drinks of 2018. Last year we asked you to make an impact. We know YOU can make a difference again in 2018!

Start the year by connecting with about a dozen amazing local non-profit organizations and find out how they make Columbus a better place. This Green Drinks event is open to students under 21 but we will check your age at the door to determine drinking eligibility. Beer, non alcoholic beverages, and light snacks will be provided. Donations of \$5 - \$10 at the door from working professionals are highly encouraged.

We are delighted that Councilwoman Elizabeth Brown and Jeff Sharp, Director at the School of Environment and Natural Resources, are among the speakers. Let's start 2018 off with a bang and make this the biggest Green Drinks yet. Bring your friends and family, and we hope to see you there! RSVP on [Facebook](#)

Student Research Funding Opportunity

OUR&CI Summer Funding Awards

The applications for the Office of Undergraduate Research & Creative Inquiry's Summer Funding Awards are now open! There are three separate awards:

- Undergraduate Research Apprentice Program
- Advanced Undergraduate Research Award
- Karen A. Holbrook Award

For more information about these awards and how to apply, please visit [here](#). The deadline to apply for these awards is **February 5, 2018**.

Radio Producers Needed

Are you passionate about the environment, social justice, and community issues? Would you like to have the opportunity to inform and educate others about important topics that can make the world a better place to live? Learn about community radio and media? The Youth Beat Radio program, produced by Dr. Kristi Lekies in SENR, is looking for interns who are interested in researching issues, interviewing youth and adults in the community and on campus, hosting shows, and assisting with production tasks. The program airs weekly on two Columbus Community Radio stations WCRS 98.3 and WGRN 94.1 FM and features stories of current issues, community service and action, arts and music, leadership, environmental topics, and more. For more information, contact Dr. Lekies at lekies.1@osu.edu.

Another second opportunity is available to co-host a new locally produced show on climate change that will air on WCRS. The co-host will be responsible for researching issues and co-hosting the show with a producer from WCRS on a weekly basis. For more information, contact Dr. Lekies at lekies.1@osu.edu

Don't hesitate to [contact us](#) if you have questions.
