Are YOU Ready to Schedule?

This week, the first scheduling windows (enrollment appointments) for Autumn 2018 open. Here are 5 steps to help you prepare when it’s your turn:

1. **Know your enrollment appointment!**
   The Registrar assigns enrollment appointments to all Ohio State students based on a combination of rank and special status (such as honors, athlete, or graduating senior). When your appointment has been assigned, you will receive an email from the Registrar and the details will appear on your Buckeyelink.

2. **Do the Financial Responsibility Statement**
   ALL Ohio State students are required to complete the Bursar’s Financial Responsibility Statement before scheduling classes. A hold will be placed on your account until you do this. Go to your Buckeyelink “To Do” box to complete the statement.

3. **Run a Degree Audit**
   The degree audit, accessed through Buckeyelink, will help you determine remaining course requirements.

4. **Download Degree Planning Tools**
   There are several resources available on the SENR website to help you plan your schedule: curriculum guides, roadmaps, a list of important course offering changes, and more! Use these tools in conjunction with your degree audit to determine the courses you need for fall…and beyond!

5. **Check those prereqs!**
   Use the University course catalog and/or Autumn 2018 Schedule of Classes (both accessible on Buckeyelink) to verify that you meet all the pre-requisites for the courses you plan to take—you don’t want surprises once your window opens!

6. **Use Schedule Planner**
   Set up and view your planned schedule in Schedule Planner, a helpful website you can access through your Buckeyelink. When you find a schedule you like, save it and have it ready when your window opens!

Still, need help? Come talk to an advisor! Call **614-292-2265** to schedule your appointment.

**Autumn 2018 Offerings**

**Taxonomy and Behavior of Aquatic Invertebrates**
ENTOMOLOGY 5350.01 (cross-listed with ENR 5350.01)
lecture: Wednesday, 12:20-1:20pm, Kottman 102
Labs offered on Wednesday, 3:15-6:15pm or Thursday, 4-7pm
labs held in Room 128 Heffner Wetland Research Building

**Interventions to Pro-Environmental Behavior**
Interventions to Promote Pro-environmental Behavior
ENR 5400
Lecture: Wed/Fri from 10:20-11:40 in 333C Kottman
Class number for scheduling: 34689
Instructor: Dr. Nicole Sintov

This course focuses on using psychology to change human behavior in service of sustainability. We will explore a variety of approaches for promoting pro-environmental behavior. You will learn how to design and evaluate behavioral intervention programs.

Unique Summer Offerings
Follow the Tomato: Community Food Strategies Course
SWK 5026
This Summer course offering through the Social Work department looks at food security and environmental sustainability in our own backyard. SWK 5026 is offered during the Summer semester on Fridays from 8:30am - 11:40am in Franklinton. For more information please click here. To enroll please email Michelle Kaiser at kaiser.267@osu.edu.

Dates & Deadline
Last day to drop a course (via Drop Course Form), will receive a 'W'        THIS Friday, March 23
Check the University Registrar's website for a more detailed list of important academic dates and deadlines.

Jeni's Splendid Ice Cream Home Office Tour - Video Contest
SENR's Environmental Professionals Network is gearing up for their April 16th Signature Event, Sustainability Through Reinvention, a conversation between Patagonia, Owens Corning and Jeni's Splendid Ice Cream on how their companies have been reinvented through sustainable practices. All are welcomed to this event. For more information click here.

Now it is your turn to speak on your own reinvention through sustainability and there is a great prize in store for a few lucky individuals who apply. The EPN wants to see your video, nothing fancy necessary. The tour of the Jeni's home office will be with their Sustainability Leadership Team and will include some fun Jeni's swag, the tour will be on Monday, March 26.

Video contest instructions
Tell us how you are reinventing parts of your life for sustainability -- or, consider sharing with us what “Sustainability through Reinvention” means to you!

- Either way, share what you have in under a minute. Cell phone videos are completely acceptable, or any mp4 video format.
- Please send your video to Colleen at miracle.50@osu.edu, or to 740-434-3636.
- Deadline is Wednesday, March 21st at 11:59pm.

To see an example and explanation of the contest, check out EPN Director, Joe Campbell's video here.

SENR Graduate School Info Session
March 28     4:00-5:00pm     Kottman Hall 333     Pizza and Salad Provided
Optional RSVP here https://osu.az1.qualtrics.com/jfe/form/SV_6ujt1akzwFewJnv

All SENR undergraduates are invited to attend a graduate school information session. Students at various points in their academic program are encouraged to participate, whether you are a freshman wondering why anyone goes to graduate school or a junior getting ready to apply to a program. Topics covered will include an overview of why people go to graduate school, how to make yourself more competitive early in your undergraduate studies, and the typical timeline for a graduate school application. Current Ohio State graduate students from relevant programs will be present to answer your questions and talk about their own experiences applying to graduate school and living as a graduate student. See formal flyer here.
**Time for Change Week**

Time for Change Week is a collaboration between student organizations and campus administrators focusing on environmental awareness and community engagement among the student body. No matter what a student’s major, beliefs, affiliation, or interests, everyone benefits from a healthy, sustainable community and planet. **Running from April 1st - 7th**, Time for Change Week will feature an array of events such as the Sustainability Fair, The Conscious College Road Tour, Buckeye Blackout Concert, The Sustainable Fashion Showcase, an Environmental Art Gallery and more! For more information, visit [u.osu.edu/timeforchange/](http://u.osu.edu/timeforchange/). Like us on Facebook, Instagram, and Twitter to stay up to date!

**Sustainability Crisis Case Competition**

March 30th, 9am-5pm  Mason Hall Rotunda

Immerse yourself in a real-world, real-time case competition experience, where you and your team will work to address a sustainability crisis. Registration is free, but there are a limited number of spots available. Interested students sign up individually, and will then be sorted into teams of four to compete for over $900 in prizes! Lunch would be provided. Register ASAP [here](#).

If you have any questions, please send an email to zhang.8879@osu.edu or lin.2244@osu.edu.

**Undergrad Research Positions**

- **Harmful Algal Blooms in the Upper Ohio River Basin** - Mid May - Mid August 2018
- **Aerial Insectivore Conservation** - Mid May - August 2018
- **Stress Response of a Common Fish to Variable Urban Stream Temperatures** - Mid March - end of April

**Internship Opportunity**

**Martha's Vineyard Land Bank**

The Martha's Vineyard Land Bank is seeking full-time summer employees to fill conservation ranger and wildlife biology assistant positions. The land bank is a commonwealth legislated conservation organization on Martha's Vineyard, Massachusetts. For the full listing of the **Summer Ranger** position click [here](#). For the full listing of the **Wildlife Biology: Research Intern** position click [here](#).

"You had all week to do your homework"

"WE WERE ON A BREAK"
