

APRIL 2, 2014

Earn Academic Credit for Your Internship!

Once you have landed your summer experience, don't forget to **get registered for academic credit!** Check out [THIS INFORMATION](#) on how to get registered for your experience and about the internship course. Credit must be arranged **BEFORE your work experience begins**, not after. Credit can be awarded for your experience whether it is paid or volunteer.

When you are ready to get registered, attend one of our **Internship Registration Workshops**:

Kottman Hall 333C:

Wednesday, April 2, 12pm – 1:30pm

Wednesday, April 9, 12pm – 1:30pm

Monday, April 14, 4pm – 5:30pm

Bring your employment verification letter to the workshop and we will review what is required for the ENR 2191 and ENR 4191 internship course and then get you registered on the spot.

Scheduling difficulties?

Check out the last issue of the newsletter for a list of common scheduling issues and how to solve them!

If you need a face-to-face meeting with Susie but don't have time to wait, you can come to **ENR Express Service Hours** on Fridays, 9am-4pm. Express hours are brief walk-in appointments appropriate for quick questions about scheduling, graduation, degree audits, etc. Traditional advising appointments can be arranged by calling 614-292-2265 or coming to the front desk in 210 Kottman.

Courses of Interest

ESSH 2520 (at Columbus State CC): OSHA Health & Safety Training for Hazardous Waste Site Workers. ESSH 2520 will be offered over the summer for 2 credit hours. OSHA requires this certification for employees who may work at hazardous locations, and the certification is a great resume-builder! Visit www.cscce.edu for more information and to register.

PUBAFRS 5800: Senior Leadership Seminar. Offered by the John Glenn School of Public Affairs, this leadership course will help you prepare for life after graduation. Several leaders from around campus and the city will lead course discussions on how your experiences can have concrete meaning after college. This class is open to seniors who will be graduating in fall 2014 or spring 2015. Check it out [online!](#)

Summer 2014 Offerings from AEDE:

1. **AEDE 2005**: Data Analysis - *Meets GE Data Analysis Requirement!*
2. **AEDE 4310**: Environmental and Natural Resource Economics
3. **AEDE 4597.01**: Food, Population, and the Environment

Vote for OSU in Climate Leadership Competition!

Prof. Greg Hitzhusen and EEDS student Miranda McClendon are featured in Ohio State's video entry in the **Climate Leadership Awards competition**. Click [HERE](#) to watch the video, then be sure to **vote!** Whichever school gets the most votes will be crowned Most Innovative Campus!

Make a Difference—CFAES Student Council Accepting Applications

Are you looking to make a difference in the college? We are looking to have more SENR representation in the CFAES Student Council. Applications are now available for ENR at Large as well as ENR Public Relations chair. As ENR at Large you will represent the entire SENR undergraduate student body and vote on important events and issues occurring within the college. As ENR Public Relations chair, you will serve on the executive board as well as the general assembly and help organize events occurring within the College of Food, Agricultural, and Environmental Sciences. If you have any questions about the duties of these offices, feel free to email the current PR chair. Applications were due Tuesday, April 1st; however, if you are interested in applying fill out the application and email it to Rachel Hefflinger (hefflinger.4@osu.edu) ASAP (no later than **12:00 PM, Thursday, April 3rd.**)

Let your voice be heard! Application: <http://cfaes.osu.edu/students/campus-life/clubs-and-organizations/college-organizations/cfaes-student-council-0/applications-and>

EEDS Leadership Workshop

EEDS majors: [C2C Fellows](#) is hosting a workshop designed for young people who want high-impact careers in sustainable business and politics. During a C2C Fellows' weekend workshop students learn the leadership skills necessary to succeed. The workshop will be held in Illinois at Morain Valley Community College on April 25-27. College students and recent grads are invited to [apply today](#) to attend! The **application deadline is April 11th**.

Upcoming Events

Celebrate Earth Day & Arbor Day at Ohio State. OSU Student Life lists events on their page at studentlife.osu.edu/earthday/

The **Paws for a Cause Twilight Run** will be held on **April 4**, 4pm-7pm at Fred Beekman Park. All proceeds go to Buckeye Service Dogs! The registration fee is five dollars. There is no minimum amount that needs to be raised, although raising at least fifty dollars per runner is the goal. The event is friendly to dogs, and there will be some healthy snacks provided. In order to register, please e-mail Bridget gladden.24@osu.edu or sign up at the events page on Facebook by searching Paws for a Cause at the Ohio State University. See you there!

Join your peers and colleagues in the environmental and natural resources community for a special **Environmental Professionals Network (EPN) Breakfast event featuring Jack Hanna**, Director Emeritus of the Columbus Zoo, and his wildlife friends. The event will be hosted in the Archie Griffin Grand Ballroom of the Ohio Union on Thursday, April 10th, 2014 from 8:30-10:30am. The event is FREE for OSU graduate and undergraduate students who **register by April 7th** at 5pm. You must register to attend at <http://epn.osu.edu/events/epn-breakfast-students-april-2014>. Sign up now, space is limited!

Research Grants and Opportunities

Karla Moreno-Torres (Ph.D. student), Dr. Garabed (Preventive Veterinary Medicine), Dr. Wolfe (The Wilds) and Dr. Moritz (Anthropology) are seeking volunteer spring-summer field research assistants in ecology and animal health. The research, taking place at The Wilds, aims to describe and explain the contact structure between wildlife and livestock and how this interface may affect the prevalence and the impact of infectious diseases that causes abortions in livestock and wildlife populations. Students interested in this position should submit a resume and a brief statement explaining their interest in and qualifications for the position to Karla Moreno at moreno-torres.1@buckeyemail.osu.edu by **April 15th** or open until filled.

Do you need help funding your research? Apply for the **2014 Sipp Undergraduate Research Grant!** More information and the application can be found online [HERE](#).

An outstanding undergraduate student in earth/environmental sciences (or related fields, including engineering) is sought to carry out research as part of the **Baltimore Ecosystem Study** in Baltimore, MD this summer. The experience is 9 weeks long (June 2- August 1, 2014). The student will be given a stipend of \$500/week. Check out the [website](#) for more details.

Scholarships

The Melinda Henning Scholarship Fund assists students studying Natural Resources, Interpretation, Environmental Education, Parks & Recreation, Environmental Studies, or any related field. Applicants must be in their junior year of college or greater. The winner receives \$500. Read more and apply [online](#). Applications are due no later than **April 15**.

The Asian Pacific Islander Organization (APIO) is now accepting applications for their 2014 scholarship competition! The APIO is a Professional Society of Natural Resources Conservation Service Employees. Scholarship recipients are selected on the basis of academic achievement, career goals, personal strengths, leadership abilities, and work experiences. Find more info and the application at: <http://www.apio.org/scholarship.htm>. Applications are due by **April 30, 2014**.

The Ohio Academy of Science awards merit-based scholarships, sponsored by the Ohio Environmental Education Fund of the Ohio EPA, to students entering their final year of environmental sciences or environmental engineering programs. Students enrolled in 4 year programs are eligible for \$2,500. The deadline for completed applications for the 2014-2015 school year is **May 1st**. The application & more details are available [here](#).

For a full listing of scholarship opportunities, check out the [Money Matters page](#) of the SENR website!

Study Abroad

In July 2014 the Duke University Nicholas School of the Environment and Venice International University will offer a summer program in Venice, Italy that provides training in key topics related to the impact of sea level rise on coastal areas and cities, and about adaptation and mitigation strategies. The program runs for two weeks in July. Learn more by visiting: <http://www.univiu.org/>.

Job/Volunteer Opportunities

Operation Free is a nationwide campaign that works with veterans, military family members, and national security experts to promote clean energy policies on the local, state and national levels of government.

The campaign is currently seeking to fill an internship position for the summer. Interns would be a part of a nationwide effort to increase Ohio's and the nation's energy security by advocating for smart policy proposals on the local, state and federal levels of government. Check the [ENR Job Board](#) to find details on the position and learn how to apply. Learn more about the Operation Free campaign by visiting their website: <http://operationfree.net/>.

Student Assistants needed at OSU South Center in Piketon! Students will perform field and laboratory work including harvesting fruit and vegetables; setting-up irrigation systems; air, plant, water and soil collection and analysis; mowing, and other miscellaneous work as needed. [Applications can be found here](#). Contact Beth Rigsby at rigsby.22@osu.edu with questions.

The **Energy Information Administration (EIA)** is looking for summer 2014 interns! Internships at EIA provide an excellent opportunity for college students to gain professional work experience and make key contacts in the energy field and the Federal government. Learn more at <http://www.eia.gov/about/careers/internships.cfm>.

The **USDA Forest Service**, Pacific Southwest is actively seeking student applicants for the Pathways Program. This hiring cycle will recruit Pathways Interns Not-to-Exceed (NTE) for spring/summer 2014. NTE Interns may be hired on a temporary basis for up to one year. Applicants must access the vacancy announcements & apply through USAJobs – <http://usajobs.gov/>

The **Ottawa National Forest** in Michigan (a part of the U.S. Forest Service) is seeking qualified applicants to fill a variety of temporary full-time positions for the 2014 summer season. Positions are available in many programs including: customer service, recreation, watershed, engineering, wilderness, timber, reforestation, silviculture, wildlife, fisheries, plants, and nursery management. Find the applications and more info online at [USA Jobs](#).
