HOT JOBS and NOTHINGS BUT HOT JOBS

Don't Panic

If you are still looking for an internship this summer, don't panic. I'm still seeing a steady flow of new positions coming in. Be sure to utilize our Career Related Links page as well HireaBuckeye.

Are you a Graduating Senior? Reality Check - real life begins in roughly 22 days! Earlier this semester, my student career services assistant, Emily Burns, sent out a survey to our soon to be graduates asking about your post graduation plans. This information helps us to compile reporting data for our programs and to share in documents like this for prospective students, etc. If you didn't receive it, we would appreciate a quick reply to senr@osu.edu with the following information:

1) Have you accepted a job in your career field and if so please tell us your: Job Title, Agency, City, State.
2) Salary range. ie 30-40k, 40-50k, etc. (optional)
3) What was your major?
4) If you are attending graduate school please let us know where and in what field of study?
5) If you are not seeking employment currently or attending graduate school, please share with us your plans.

HireOhio Career Fair Attend HireOhio, an alumni-only career fair Monday, May 18th in the Ohio Union.

Meet with recruiters from more than 75 leading employers and network with area alumni at the HireOhio Career Fair, hosted by The Ohio State University

Hot JOBS - here we go!

First, for graduating seniors (see internships at bottom) The South Dakota Department of Agriculture, Resource Conservation & Forestry Division has two positions open for foresters. A Service Forester position that will be part of our Community Forestry Team is open in Watertown, SD. A Staff Forester Position that will be the Team Leader for our Rural Forestry Team can be stationed in either Rapid City or Pierre, SD. The announcements and job application information can be found on the South Dakota Bureau of Human Resources website.
