† Free Electives: 9-13 hours required

‡ If you took ENR 3700 before AU16, it was only worth 2 credit hours; you must take additional hour in Free Electives, totaling 10-15 hours, to reach the 121-hour degree minimum.

¥ Plan to overlap the GE Diversity requirement with courses in the GE Social Science and/or GE Humanities courses: Of the five courses in these categories, one course should also meet the Social Diversity in the US (dot) requirement, and two courses should also meet the Global Studies (triangle) requirement. Not overlapping the three GE Diversity requirements with the other GE categories means you will need to take additional courses in order to graduate.

Parks & Rec Required: Choose from BUSMHR 3100, AEDECON 3160, or BUSML 3150.

Degree Total: 121 hours
