

# STAY CONNECTED WITH YOUR SENR COMMUNITY

Maintaining connections helps support career resilience and success. Here are a few simple ways to stay connected with your SENR community and make use of some of the resources available to you as an ENR Buckeye all year long.

## CAREER DEVELOPMENT

### ***Career development support through SENR is available year-round***

- Career advising is still available over the summer! Reach out to Career Advisor, Lucia Hadella, at any point for a resume review, help with your job search, and more. Contact: [hadella.1@osu.edu](mailto:hadella.1@osu.edu)
- Update your [Handshake](#) profile to reflect any recent changes, such as change in major, moving from a Sophomore to a Junior, or an updated resume.
- In your Carmen/Canvas dashboard, visit SENR Career Development Resources for helpful resources and announcements. Not seeing it? Email Lucia: [hadella.1@osu.edu](mailto:hadella.1@osu.edu)
- Consider joining the [Environmental Professionals Network](#) to receive announcements about the monthly EPN Breakfast programs and other opportunities to build your professional network.

### ***Follow these pages for advice and news related to careers, and to stay connected with mentors and peers***

- SENR Career Development [LinkedIn Group](#)
- CFAES Career Development [Facebook](#)
- CFAES Career Development [Instagram](#)
- Join [Alumnifire](#) to exchange career-related advice with fellow Buckeyes

## SENR COMMUNITY

### ***Follow these pages to stay informed about news, events, and to see student features***
