

Young Life
Landscape Intern
Antelope, Oregon
Anthony Suchan

Duties:

- Maintain camp properties aesthetic
- Handle and fix irrigation on property
- Lead a small crew of volunteers
- Complete random daily and long-term tasks while on property

Summer Reflection:

- Long-term goal: build and manage parks
- Was given hands-on experience In maintaining a properties grounds
- Would absolutely seek a job with a similar background

**“To help prepare a place where
 Christ changes lives”**

- The Property is the project
- The People are the project
